THE INVALID'S FRIEND.

HOLLOWAY'S PILLS.

Nervous Disorders.

What is more fearful than a breaking down of the

nervous system? To be excitable or nervous in a small

degree is most distressing, for where can a remedy be

found? Here is one:—Drink but little wine, beer or

spirits, or far better, abstain from them altogether; do

not take coffee—weak tea is preferable; get all the

fresh air you can; take three or four of these Pills

every night; eat plenty of solids, and avoid the use of

staple. If these golden rules are followed, you will be

happy in mind, strong in body, and forget you have

any nerves.

Mothers and Daughters.

If there is one thing more than another for which

these Pills are so famous it is their purifying properties,

especially their power of cleansing the blood from all

impurities, and removing dangerous, and renewing sus-
pended secretions. Universally adopted as the one

grand remedy for female complaints, these Pills never

fail, never weaken the system, and always bring about

what is required.

Disorders of the Kidneys.

In all diseases affecting these organs, whether they

secrete too much or too little water; or whether they

are afflicted with stone or gravel, or with aches and pains

in the loins over the region of the kidneys, these

Pills should be taken according to the printed direc-
tions, and the Ointment should be well rubbed into the

small of the back at bed time. This treatment will give

almost immediate relief after all other means have failed.

The Stomach out of Order.

No medicine will so effectually improve the tone of

the stomach as these Pills; they remove all acidity, oc-
casioned either by intemperance or improper diet. They

NEW WESTMINSTER, THURSDAY, MAY 11, 1865.

AGRICULTURE.

We publish elsewhere a paper from Mr. Clarkson relative to the result of agricultural operations upon a small scale. It is proper to state that the piece of ground alluded to is upon the ridge forming the site of this city—land which has been pronounced worthless for agricultural purposes by so many, and which three years ago was covered with firs and cedars of enormous growth. During the six years spent in this city we have been vexed to see hundreds of steady, hard-fisted men turn away under the impression that it would be useless and unprofitable to engage in farming. And even now it puzzles us beyond measure to account for the great disinclination to engage in agricultural pursuits. Men who are neither too proud nor too lazy to work have, to our knowledge, suffered want and left the country in the most straitened circumstances rather than apply themselves to the cultivation of the soil, when, without capital and with comparatively little labor, they might have made money at farming. Look at prices of produce: Flour 12 cents a pound; butter, \$1; milk, \$1 a gallon in winter and 15c. in summer; eggs, \$1 to \$2 per dozen; turnips, 4c. a pound, potatoes 5 cts., carrots 6 cts., onions 12 cts. And not only do these almost famine prices rule, but the supply is by no means adequate to the demand. Why is it, then, that people will not turn their attention to the cultivation of the soil—the most healthful, peaceful, profitable and independent occupation in the country? It cannot be because of the unproductiveness of the soil, for we find a piece of the most unlikely land within the district yielding most abundantly. It cannot be because the thing wouldn't pay, for it is shown that, with ordinary management, two acres of ground will yield \$1700 worth of potatoes. It cannot be owing to the scarcity of land, for there are millions of acres of unappropriated land to be had upon the most liberal terms, and far superior in quality to Mr. Clarkson's two acres. Is it not passing strange, then, that there should be such a backwardness to engage in farming, and that people prefer to follow more precarious pursuits or leave the country altogether, when there is such an inviting field with a reward so rich and so certain?

ALL CURES MADE EASY!!

HOLLOWAY'S OINTMENT.

Bad Legs, Ulcerous Sores, Bad

Breasts and Old Wounds.

No description of wound, sore, or ulcer can resist the
healing properties of this excellent Ointment. The
worst cases readily assume a healthy appearance when-
ever this medicament is applied; sound flesh springs
up from the bottom of the wound, inflammation of the
surrounding skin is arrested, and a complete and per-
manent cure quickly follows the use of the Ointment.

Piles, Fistulas and Internal Inflam-

mation.

These distressing and weakening diseases may with
certainty be cured by the sufferers themselves, if they
will use Holloway's Ointment, and closely attend to the
printed instructions. It should be well rubbed upon
the neighbouring parts, when all obnoxious matter will
be removed. A poultice of bread and water may some-
times be applied at bed time with advantage; and most
scrupulous cleanliness must be observed. If those who
read this paragraph will bring it under the notice of
each of their acquaintances whom it may concern, they
will render a service that will never be forgotten, as a
cure is certain.

Rheumatism, Gout & Neuralgia.

Nothing has the power of reducing inflammation and
subduing pain in these complaints in the same degree
as Holloway's cooling Ointment and purifying Pills.
When used simultaneously they drive all inflammation
and depravities from the system, subdue and remove
all enlargement of the joints, and leave the sinews and
muscles lax and uncontracted. A cure may always be
effected, even under the worst circumstances, if the use
of these medicines be persevered in.

Eruptions, Scald Head, Ringworm &

other Skin Diseases.

After fermentation with warm water, utmost relief and
speediest cure can be readily obtained in all complaints
affecting the skin and joints, by the simultaneous use of
the Ointment and Pills. But it must be remembered
that nearly all skin diseases indicate the depravity of
the blood and derangement of the liver and stomach,
consequently, in many cases, time is required to purify
the blood, which will be effected by a judicious use of
the Pills. The general health will be readily improved,
although the eruption may be driven out more freely
than before, and which should not be promoted; per-
severance is necessary.

Sore Throats, Diphtheria, Quinsy,

Mumps & all other Derangements

of the Throat.

On the appearance of any of these maladies the Oint-
ment should be well rubbed at least three times a day
upon the neck and upper part of the chest, so as to
penetrate to the glands, as salt is forced into meat:
this course will at once remove inflammation and ulcer-
ation. The worst cases will yield to this treatment by
following the printed directions.

Scrofula or King's Evil and Swelling

of the Glands.

This class of cases may be cured by Holloway's puri-
fying Pills and Ointment, as their double action of puri-
fying the blood and strengthening the system renders
them more suitable than any other remedy for all com-
plaints of a scrofulous nature. As the blood is impure
the liver, stomach and bowels, being much deranged,
require purifying medicine to bring about a cure.

Both the Ointment and Pills should be used in the following
cases:—

Bad Legs. Chapped Hands. Scalds.

Bad Breasts. Contracted and Sore Nipples.

Burns. Stiff Joints. Sore-throats.

Bunions. Elephantiasis. Skin-diseases.

Bite of Mosquitoes. Fistulas. Scrofula.
